

Cleanroom Transfers

Cleanroom Transfers

A heat transfer system where the ink stains the polyester cleanroom garment and has no physical components to contaminate the work area.

STRETCHABLE

HOT PEEL

DOMESTIC
WASH

INDUSTRIAL
WASH

KEY BENEFITS

- Easy to apply
- Cannot be removed
- Good resistance to washing and sterilisation by irradiation
- Recreate logos, names and even sequential barcodes for labelling
- No limit on number of colours*
- Minimum order just 25

TYPICAL USES

- Cleanroom garments

* Please Note: We cannot print white and colour matching is heavily dependent on the colour of the garment being applied onto.

INTENDED FOR

WORKWEAR

HOSPITALITY

HEALTHCARE
